

Survey Coordinator: PBFSurvey@historiciris.org		Form updated Feb 10 , 2022		
HIPS PBF Survey Purple-Based Foliage (PBF) Observation window: the iris' spring bloom; stalk emergence to end of bloom. Make direct visual decisions. 'After the fact' photo calls are risky. Irises confirmed correct using best judgement Full instructions are located on the HIPS PCT Project page. https://historiciris.org/programs/pbf-research/				
For field notes print pages as needed. Electronic form can be filled in using Word and emailed. To mail paper copies contact Survey Coordinator for address.				
Your Name:		Observation Year:	Zip / Postal Code:	Contact info: Email or Telephone:
Iris Name / Originator (Breeder) (Please check spelling)		PBF	Comments: Optional	
Iris Class and Introduction Date are very helpful but optional. Report <u>historic irises only</u> (Reg. or Intro. 1993 or earlier.)		Y - Yes has PBF N - No PBF visible	Not required but helpful to know if color is faint or pale. Unusually hot or cool? Notable provenance? Etc.
